PPNB - Pest Protection Netting Bags - Pack

Extruded Plastic Netting PPNB - Pest Protection Netting Bags

PPNB - Pest Protection Netting Bags -Applications

The pest protection bags are designed for individual fruit or fruit cluster. The extruded fine mesh of our products allows the circulation of the sunlight, the moisture and the ventilation. They come with the clips to firmly tie the netting bags and reuse the bag. The fine mesh keeps the codling moths, The fruit flies, birds and possums away from your precious fruit without any harmful chemical sprays.
